To Whom It May Concern,

As a licensed Realtor with over twenty-six years of experience in the real estate industry. I have had the privilege of working alongside many builders and contractors throughout my career. Among them, Lang Holding and 34 North Builders, LLC stand out as one of the most impressive and dependable companies I've had the pleasure to work with.

From the very first time I toured one of his homes, I was struck by the exceptional quality of craftsmanship and attention to detail. Every element -from layout and design to finishes and functionality -reflects a clear commitment to excellence. It's evident that Lang and 34 North Builders approach each project with pride, precision, and a deep understanding of what today's homeowners desire.

Beyond the quality of their work, the team at 34 North Builders, LLC consistently demonstrates professionalism, integrity, and strong communication throughout every stage of the building process. Their responsiveness and genuine care for clients and partners alike make them a true pleasure to work with.

I wholeheartedly recommend 34 North Builders, LLC, and its owner, Lang Holding to any client, buyer, or investor seeking a builder who delivers not only a beautiful home but also a trustworthy and collaborative experience. In my two decades of real estate, they are truly among the best I've encountered.

Sincerely,

Sherry Strohl
